

Texas Motor Speedway, one of the largest sports and entertainment facilities in the country, provides an incredible backdrop for The Speedway Club.

The Speedway Club, a spectacular nine-story structure overlooking Turn 1 of the speedway, offers extraordinary benefits to race fans and businesses all over the world. This unique private club offers members a new approach to the entertainment and race experience. No detail has been overlooked from the imported Italian crystal chandeliers and wood paneling to the world's largest HD TV Screen, Big Hoss TV.

Club members enjoy upscale amenities to host their closest friends and family as well as important clients. The Club offers many diverse options of banquet and meeting space for events from 10 to 1000 people.

Speedway Club members enjoy year round Club access and exclusive race benefits in addition to other great privileges of being a race fan at Texas Motor Speedway.

Memberships are available in a variety of options designed to fit your personal desires or your corporate needs.
